Exceptional People,
Extraordinary Care

About Us

At Everlight Care, our mission is to provide the best and most trusted non-medical home care in the industry. We are dedicated to the highest standards of integrity, respect and compassion while delivering the highest quality of care possible.

Everlight Care is locally owned and family operated and is committed to serving our local community. We live and work in the Central Valley and we know the people, the values, and the needs on a very personal level. Your community is our community and we are dedicated to making it a *great* place to age.

Our Caregivers

We insist our caregivers represent our ideals of integrity, respect and empathy, and we make all efforts to match their qualifications, interests and unique characteristics with your needs.

All of our caregivers are required:

- to pass our industry-exclusive background screening process
- must possess extensive home care experience
- must be drug and alcohol free

Why Choose Everlight Care?

- Highest service standards in the industry
- Extensive caregiver background screening
- Drug-free and alcohol-free workplace
- Licensed, Insured, and Bonded
- Consistent caregiver oversight and supervision exceeding state requirements
- Extensive caregiver training using both classroom and e-learning instruction methods
- Individualized assessment and care planning
- Electronic validation and alert system for caregiver attendance
- Wide range of fully-customizable services to meet the specific needs of our clients and their families.
